THE MONTROSE SCHOOL

Foreword

"Go ye into all the world." This is Christ's command to those who would follow Him. Our prayer, as you go forth to every corner of the earth, is that the flame of God's love will be kept burning brightly as a guiding light for a world dark in sin. May THE FLAME of 1949 recall bright memories of Montrose days that brought you closer to the Saviour, our Lord Jesus Christ.

Alma Mater

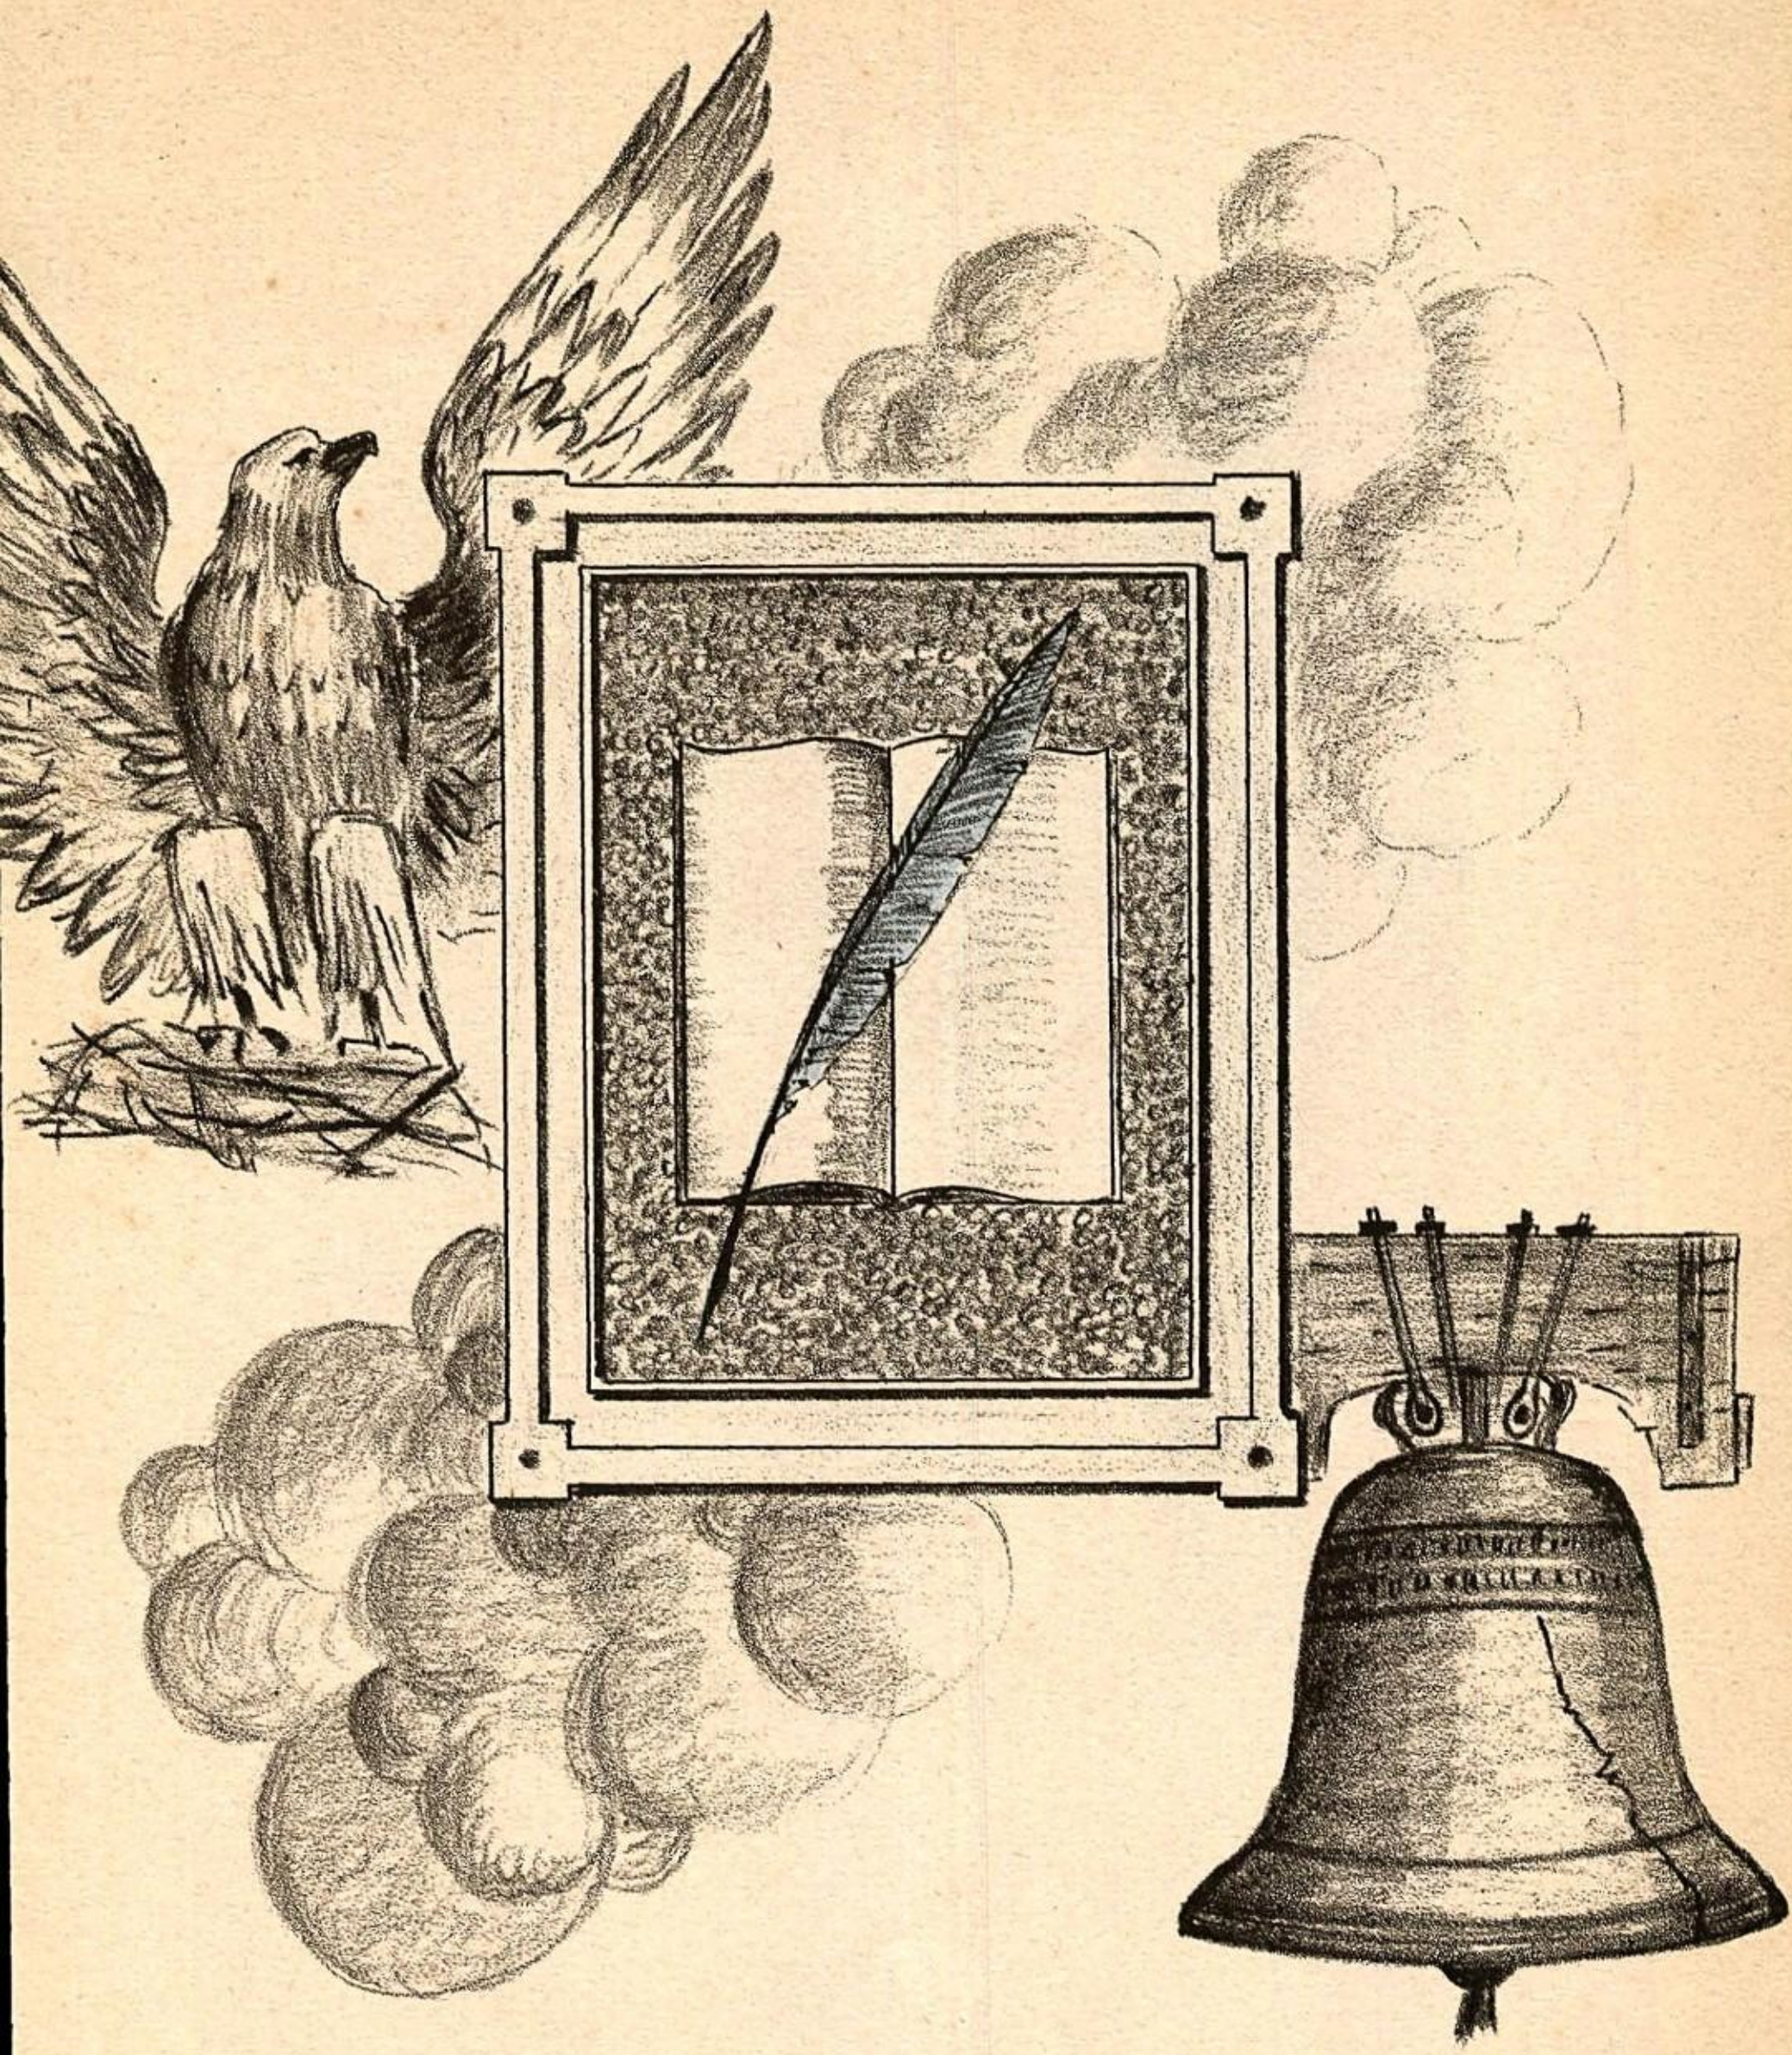
"With grateful hearts and voices
We pause to lift this song
Of heart-felt adoration
While ages roll along.

We thank thee for thy guidance
Oh, Alma Mater dear,
And for God's endless blessings
Which with thee, have been so near.

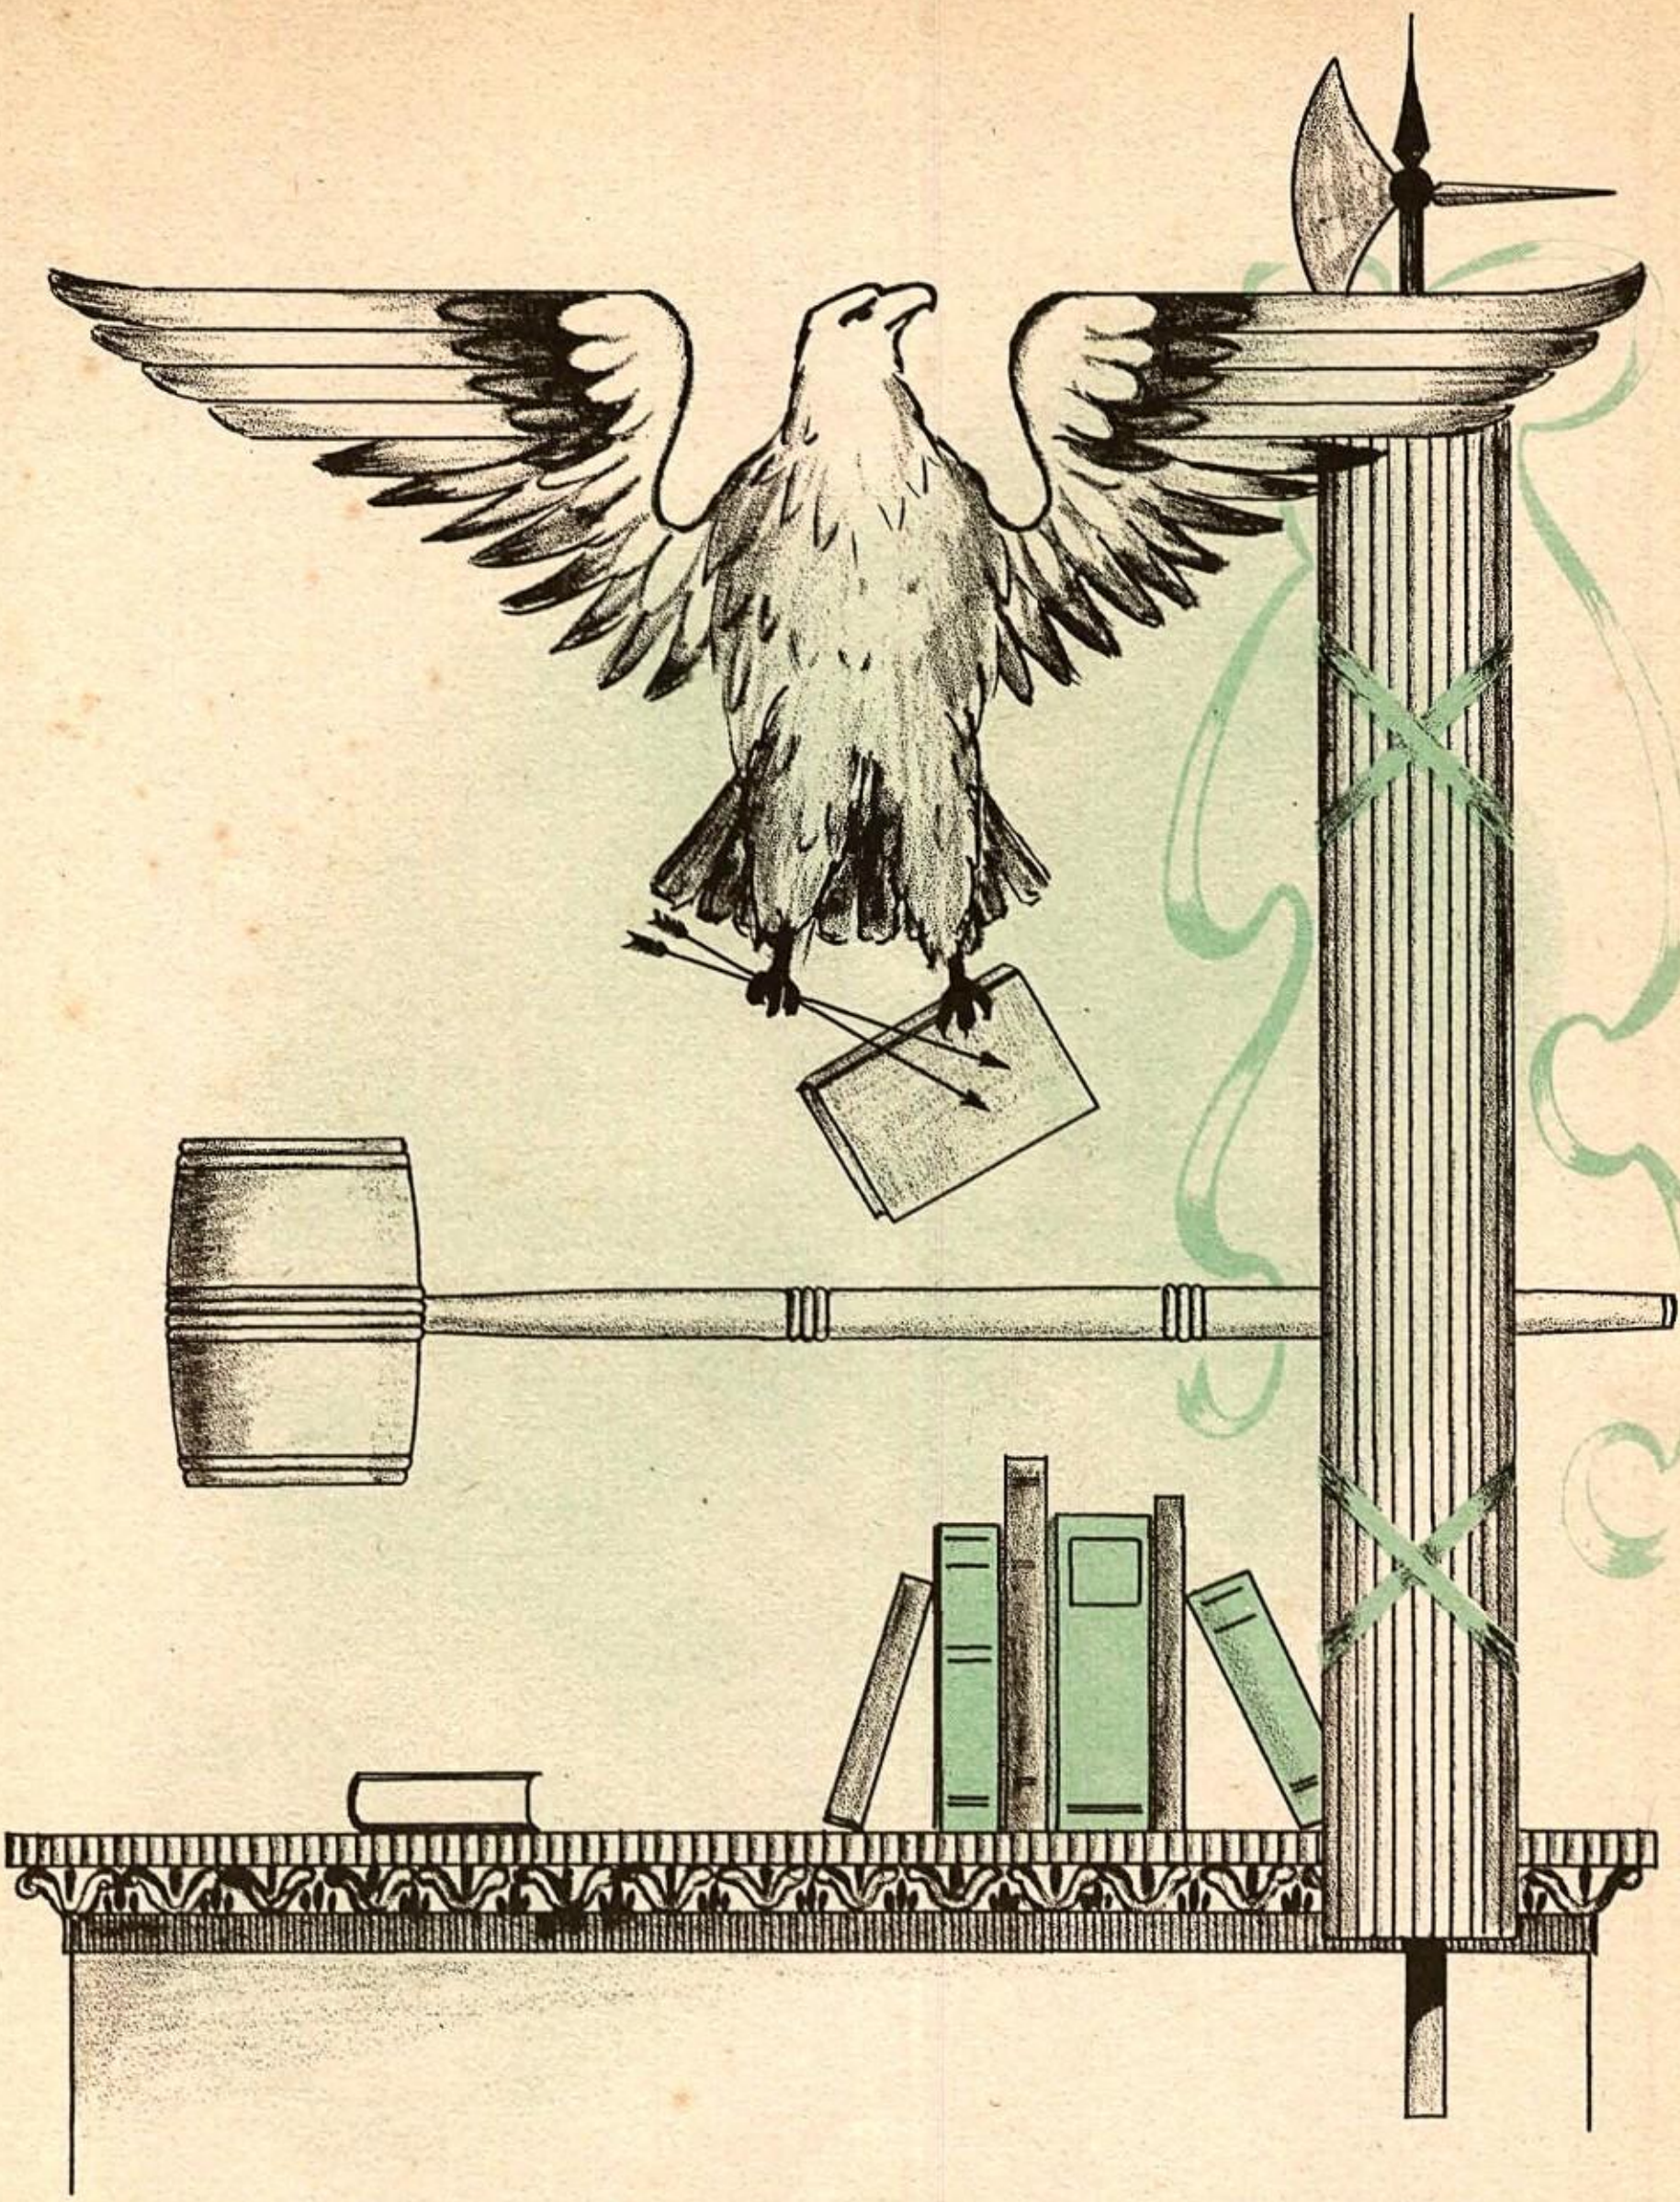
Now we wish to honor
Montrose's precious name,
And wish on her God's blessing
Of love and well-earned fame."

--Ester Sahatdjian



DEDICATION

We, the junior class of 1949, lovingly dedicate "The Flame" to our President, Mr. John W. F. Young, as a symbol of our appreciation for the many things he has done to make Montrose "the school that we're proud of." For your tireless efforts and your never-ending prayers, we all join in saying "thank you."



ADMINISTRATION

Our President

John W. F. Young

"And now abideth faith, hope, love these three; but the greatest of these is love."
My sincere desire is that you may be blessed by this greatest of all gifts as you leave Montrose to face life in a new responsibility. May you have The "faith that will remove the mountains" in life. May you ever be "looking for that blessed hope and the glorious appearing of the Great God and our Saviour Jesus Christ", thus faith shall be exercised and hope realized. Christian love is the need of this world today. "Though I have all knowledge and have not love, I am nothing," says the Apostle. My prayer for you is that as you go out from us you may be used of God to spread the sunshine of Christian love wherever, in His will, you find your station in life.

Our Headmaster

Class of 1949, as you go out from the halls of your Alma Mater, I wish you every success and the deep satisfaction that comes from full surrender to Him. You will face dark days and perilous times. Remember: "When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him."
I would have you remember that the test of right and wrong is not what any man thinks but what God commands. "Whatsoever He saith unto you do it." "Thus saith the Lord." " God hath spoken" and our only duty, when we hear His voice, is to obey.
Go forth, Class of 1949, "strong in the Lord and in the power of His might." May the Father in His infinite wisdom grant to each of you, through our Lord Jesus Christ and the indwelling of the Holy Spirit, guidance and courage for the days ahead.

Yes, Ruth does bring warmth into our every-day life at Montrose and, although Ruth is only a day-student, her radiant Christian life has been a blessing to all of us. She really loves her Lord and that's the main thing. We will miss her as she graduates from dear old Montrose. We'll be praying for you as you continue your radiant life for Him.

Last September introduced into the annals of Montrose a student not only new to our school, but to our country. With only three days in America to her credit and "Yes, No," to her English vocabulary, we had a young representative of Mexico eager to try her skill at school.

Alicia has come a long way since that fall day. Gradually we came to know and enjoy her vivid nature and friendly manner. As you go on to college we wish you not only the success of your desires, but His choicest blessings in all that you do.

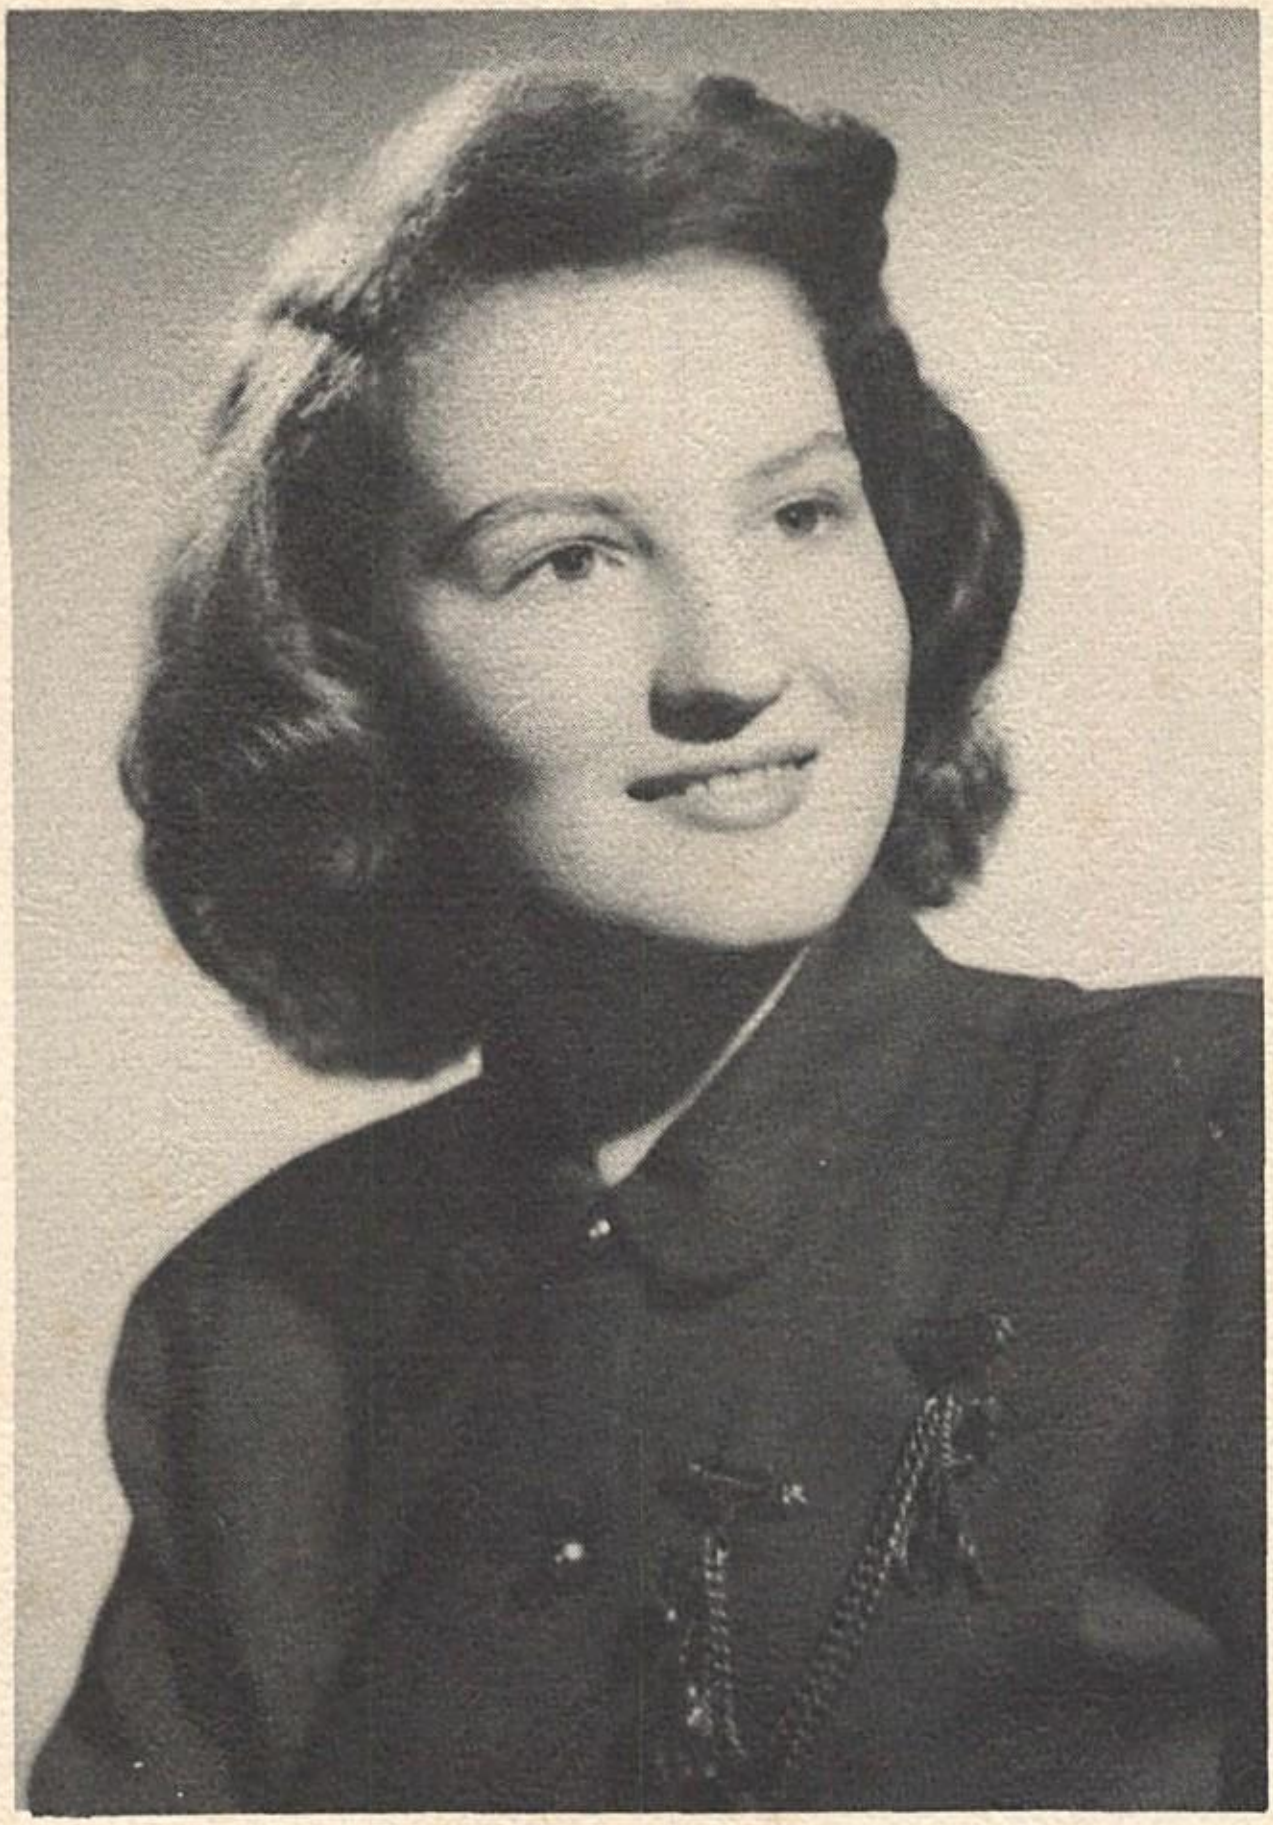
Junior Girl



Helen Young

There has never been a girl at Montrose who could be more perfectly described by the adjective "friendly" than our junior girl, Helen. This quality of her personality has made her a great help to all of the girls here at Montrose.

Helen,

Keep looking up to Christ and live up to the Christian standards of Montrose. Though this be a difficult responsibility, we are confident that in you Montrose will find a faithful and capable senior.

Love,

The Senior Class
